INFORMATION DISCLOSURE STATEMENT

Dear Sir or Madam:

Attached hereto is a reasonable facsimile of Form PTO-1449 listing patents and other documents believed relevant, to some extent, to the subject application. It is respectfully requested that these documents be considered by the examiner and an initialed copy of each form be returned to the undersigned.

This disclosure statement should not be construed as a representation that a search has been made or that no other material information exists as defined in 37 C.F.R. Section 1.56.

It is believed that this disclosure complies with the requirements of 37 C.F.R. Sections 1.56, 1.97, and 1.98, and the Manual of Patent Examining Procedures Section 609. If for some reason the examiner considers otherwise, it is respectfully requested that the undersigned be called so that any deficiencies can be remedied.

A copy of each document is enclosed, except for United States patents and/or United States published patent applications.

Some of the documents may have markings thereon. No significance is meant to be attached to the markings.

These documents are not necessarily analogous art. The relevance of each document will now be discussed.

STATEMENT

Each item of information contained in this information disclosure statement was first cited in a communication from a foreign patent office (EPO) in a counterpart foreign application not more than three months prior to this filing. The EPO examination report issued on August 12, 2010.

DOCUMENTS

Document 34 is United States Published Application No. 2003/0083112, published May 1, 2003, disclosing a transceiver adapted for mounting upon a strap of a facepiece or headgear. The application was filed on October 30, 2002, which is after the priority date of the application herein.

Respectfully Submitted

Date: OCTOBER 5, 2010
